Dear Jeff,

Hey Man...you did it! You said you'd put on a top quality comedy show AND, do the marketing job necessary to fill the house. You did both. Great job!

You're on to something with your "Ambassadors of Comedy" concept also. Comics from different countries in the World is a great touch. It allows us to get a glimpse of the other cultures.

Anytime you want to bring the show back to The Ice House, let me know. Loved the show and enjoyed working with you. You're a real professional.

At this point, am I required to disclose that you paid me a lot of money to write this letter? Let me know.

Sincerely,

Bob Fisher
