

**Re: Ambassadors of Comedy**

Hey Jeff,

What a show! That was absolutely incredible... You promised a great show and delivered ten-fold. As I told you in our initial conversation, comedy has never done well here at UCSD, but The Ambassadors of Comedy packed the seats and kept everyone sitting all night. There wasn't an empty seat in the club. The expected turnout for the show was about 100, but actual attendance ended up being well over 500 students.

The response was incredible. Everyone that attended had a wonderful time. You brought a very entertaining, yet classy show to our campus that everyone in the audience could relate to. Your dancer and emcee were wonderful additions to the show. They really got the show off to a very hot start.

Also, thanks for being so flexible with your scheduling. All of us here at UCSD appreciated the fact that you could come and do the show on such short notice. We definitely would love to bring The Ambassadors of Comedy back for another show in the near future. Undoubtedly the show will have an even larger response the second time around. Thanks for all your professionalism and bringing a quality show to UCSD.

Sincerely,

Amir Younes
