End of the Year Comedy Show: Featuring the Ambassadors of Comedy

Dear Mr. Hodge,

I am writing to thank you for the great show performed on April 22nd as part of the last week of school celebration. The comedians were very funny and the event ran very smoothly. The mix of cultural comedy was ideal for our programming goals of both educating and entertaining our diverse student body. Students were very congratulatory of the performance and the show itself.

I look forward to working with the Ambassadors on future comedy events. Thanks again and I wish you good luck in future performances.

Sean Carr,

Special Events Director
USC Program Board
